ABOUT US

Establishment

Fenixera AS was established in 2017 with an idea to help foreigners, living in Norway. Very soon we have noticed a need for a different kind of help and that is how Fenixera was developing and growing. In one year we managed to grow up to the point where we are able to provide a full help to entrepreneurs all over the world.

Team

At the moment our team consists of professionals from various fields - accounting, business, human resources, marketing, design, IT, linguistics. We have both - full-time workers as well as freelancers from all over the world working with us, which makes our company more diverse.

Companies group

Fenixera AS works with all kinds of inquiries - business consultancy, investment, translations, legal services etc.

Fenixera Regnskap AS - authorized accounting company, working with accounting and book-keeping in Norway.

Norpro Solutions AS - daughter company, that will improve your company's visibility and strength on the market - innovative IT, design and marketing solutions.

Location

Physically we are located in Oslo, Norway - Brobekkveien 114.

WHY TO BUY FENIXERA (FNA) TOKENS?

Expected start of Fenixera (FNA) tokens sale is 15.01.2019 and expected launching price is only \$ 0,1 per token.

After Fenixera (FNA) token sale ended (estimated end of the sale is 15.03.2019 or when hard cap is reached), accumulated money will be used to make the Fenixera (FNA) token stronger in its value, as follows:

1. **All Fenixera company customers will get Fenixera (FNA) tokens for using our services and for the amount of money spent with us.** The value is given in FNA, regardless of their value on the date of issue. It will always be 1% of the amount spent, which can have a value of \$ 0,1 dollar at the beginning and \$ 4-5 after some time;
2. **We will open Fenixera branches in main European cities**, which will be working with marketing as well as launching a new accounting program for regular transactions as well as cryptocurrency transactions; initial launching date of new offices is 15.05.2019;
3. On 01.01.2020 **we will launch a high-end multipurpose accounting program that will allow people to manage their company's finances much easier.** The advantage of this program is that **it will be also compatible with cryptocurrencies**; users will be able to account all their cryptocurrencies in one place; users will be able to pay up to 30% of the program monthly price in cryptocurrency as well.
